

Temporary Closure of the Royal Avenue On-ramp

February 25, 2021

As part of the overall tree removal work for the new bridge alignment and new connecting roadways, the Royal Avenue on-ramp will be temporarily closed on Saturday, February 27 from 9:00 a.m. to 5:00 p.m. to allow crews to safely remove the trees between Dufferin Street and the existing on-ramp. Trees removed as part of this project work will be replaced at a minimum ratio of 2:1.

While this closure is in effect, drivers wishing to access the Pattullo Bridge will be directed to use the Columbia Street on-ramp via McBride Boulevard and Columbia Street as shown on the map below in blue.

What to Expect

Timing

Saturday, February 27

Hours of Work

9:00 a.m. – 5:00 p.m.

Traffic

A detour will direct traffic to access the Pattullo Bridge via the Columbia Street on-ramp. When required, traffic control personnel will be on site to direct traffic, pedestrians, and cyclists. All traffic pattern changes will be well signed.

Impacts/Interruptions

Nearby businesses and residents may hear noise from tree removal equipment and may experience temporary delays resulting from the detour. We appreciate your patience and understanding while this work is underway.
