

# Additional Work on the Test Pile in Surrey

January 27, 2021

Fraser Crossing Partners crews will be doing some final work on the test pile in Surrey starting January 28. This work is required in advance of the start of the bridge foundation installation, and will provide additional information about the soil conditions and the equipment required for the piers for the new bridge.

Pile driving work will occur intermittently for a few days starting on January 28 and continuing the week of February 1. No piling will occur on the weekend.
