

Road Sweeping in New Westminster and Surrey

March 2, 2021

Fraser Crossing Partners (FCP) will conduct road sweeping activities within the Pattullo Bridge Replacement Project area in New Westminster and Surrey as part of ongoing road maintenance within the Project area. Road sweeping will take place during the daytime on residential streets to limit noise, and between 7:00 p.m. and 3:00 a.m. on major roads to limit traffic impacts.

While this work is underway, a slow moving sweeper truck will operate in a single lane followed by a Project vehicle that has warning lights to ensure the safety of other drivers. When required, some areas will have temporary no parking restrictions when this work is scheduled to take place. When parking restrictions are in effect, they will be well-signed.

FCP will be conducting routine road sweeping within the Project area, as well as on an as-needed basis following construction activities. FCP will notify impacted businesses and residents in advance of the start of this work.

If you have any questions about this work, please call the 24/7 phone line at 1-844-815-6149 or email info@fcgp.ca.

What to Expect

Timing

Early March 2021

Hours of Work

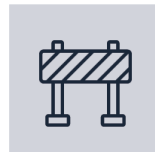

Monday to Friday between 9:00 a.m. – 3:00 p.m. for residential streets

Monday to Friday between 7:00 p.m.– 3:00 a.m. for major roads

Traffic

One slow moving sweeper truck will be operating in a single lane followed by a Project vehicle with warning lights to ensure safety. Drivers are advised to use caution when near.

Impacts/Interruptions

Nearby businesses and residents may hear noise from the sweeper truck. Temporary no parking areas will be in effect during this work. Areas where parking restrictions are required will be well-signed in advance of the start of work.
