

Short closures of the Royal Avenue on-ramp; one-hour extension of daily Columbia Street loop-ramp closure

May 5, 2022

Nighttime Royal Avenue on-ramp closures

On May 8, Fraser Crossing Partners (FCP) will be conducting utility investigation work where the Royal Avenue on-ramp intersects with the Bridge Connector. This work will take place during an existing closure of the Royal Avenue on-ramp being implemented by TransLink between 10 p.m. and 5 a.m.

On two different evenings between May 16 and 27, FCP will temporarily close the Royal Avenue on-ramp for approximately two hours between 10 p.m. and 5 a.m. to conduct additional utility investigation work. When the Royal Avenue on-ramp is closed, drivers will be directed to use the Columbia Street loop-ramp via McBride Boulevard. Detour signage will be in place.

Drivers travelling southbound on the Bridge Connector will also notice construction activities where the Royal Avenue on-ramp and Bridge Connector merge. Drivers are asked to obey speed limits and instructions of traffic control personnel.

One-hour extension of the daily Columbia Street loop-ramp closure

On select evenings between May 16 and 27, FCP will be conducting utility investigation work within the Columbia Street loop-ramp. To accommodate this work, FCP will extend the daily 3 p.m. to 6 p.m. closure by one hour, such that the loop-ramp will be closed to traffic until 7 p.m.

During the loop-ramp closure from 3 p.m. to 7p.m., drivers travelling westbound on Columbia Street will be detoured to use the Royal Avenue on-ramp. Trucks are asked to follow detour signs and use Braid Street. Access will be maintained for pedestrians and cyclists using the BC Parkway and Central Valley Greenway to access the Pattullo Bridge.

What to Expect

Timing

Royal Avenue on-ramp closures: For approximately two hours at night, on two different evenings, between May 16 and 27.

Daily Columbia Street loop-ramp closure extended from 3 p.m. to 7 p.m. for several days between May 16 and 27.

Hours of Work

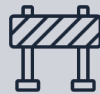

Royal Avenue on-ramp closures: Between 10 p.m. and 5 a.m.

Extension of Columbia Street loop-ramp closure: From 3 p.m. to 7 p.m.

Traffic

Detours will direct traffic for accessing the Pattullo Bridge. When required, traffic control personnel will be on site to direct traffic, pedestrians, and cyclists. All traffic pattern changes will be well-signed.

Impacts/Interruptions

Nearby residents may hear some noise from the utility investigation work. Drivers may experience temporary delays resulting from the detour. We appreciate your patience while this work is underway.

If you have any questions about this work, please email info@fcgp.ca or call the 24/7 construction information phone line: 1-844-815-6149.
