

Utility work and nighttime closure of the Royal Avenue on-ramp

June 27, 2022

On June 29, the Royal Avenue on-ramp will be closed between 10 p.m. and 5 a.m. so Fraser Crossing Partners (FCP) can conduct utility work on the on-ramp.

As shown in the graphic on the right, drivers will be directed to use the Columbia Street loop-ramp via McBride Boulevard to access the Pattullo Bridge. Detour signage will be in place.

The on-ramp closure is scheduled overnight to minimize traffic impacts. Saw cutting work is required and will be undertaken as soon as the on-ramp is closed to minimize local noise impacts. A short period of noise is expected.

What to Expect

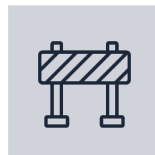

Timing
June 29, 2022

Hours of Work
Between 10 p.m. and 5 a.m.

Traffic
Traffic will be directed to the Columbia Street loop-ramp for accessing the Pattullo Bridge. When required, traffic control personnel will be on site to direct traffic, pedestrians, and cyclists. All traffic pattern changes will be well-signed.

Impacts/Interruptions
Nearby residents may hear some noise from the utility work and, for a short period, saw cutting concrete. Drivers may experience temporary delays resulting from the detour. We appreciate your patience while this work is underway.

If you have any questions about this work, please email info@fcgp.ca or call the 24/7 construction information phone line: 1-844-815-6149.
