

Temporary nighttime closures of the Royal Avenue on-ramp and southbound Bridge Connector

September 21, 2022

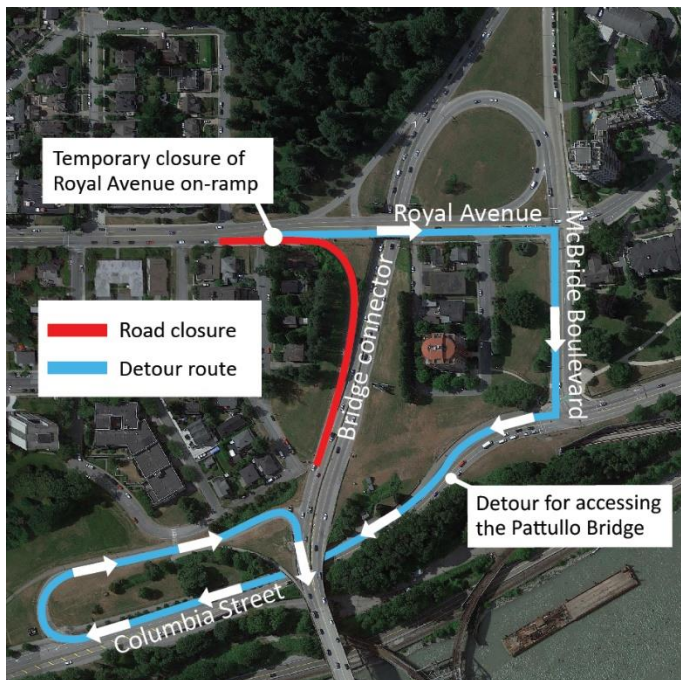

Please be advised that the Royal Avenue on-ramp and southbound Bridge Connector will be closed temporarily between 10 p.m. and 5 a.m. so that Fraser Crossing Partners (FCP) can conduct utility investigation work on the following days:

- Thursday, September 22
- Friday, September 23
- Sunday, September 25

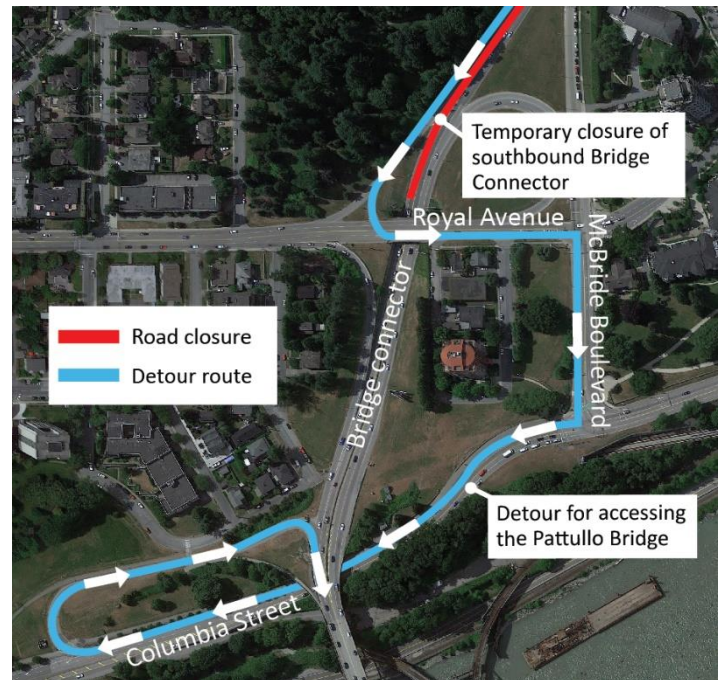

The on-ramp closure and the bridge connector closure will not occur at the same time. Drivers impacted by each closure will be directed to use the Columbia Street loop-ramp via McBride Boulevard, as shown in the graphics below. Detour signage will be in place.

A small amount of hydrovaccing and saw cutting work will be required and will be undertaken as soon as the closures are implemented to minimize local noise impacts. A short period of noise is expected.

Royal Avenue on-ramp closure and detour

Bridge Connector southbound closure and detour

What to Expect

Timing

September 22, 23, and 25, 2022

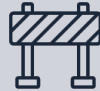

Hours of Work

Between 10 p.m. and 5 a.m.

Traffic

Traffic will be directed to the Columbia Street loop-ramp for accessing the Pattullo Bridge. When required, traffic control personnel will be on site to direct traffic, pedestrians, and cyclists. All traffic pattern changes will be well-signed.

Impacts/Interruptions

Nearby residents may hear some noise from the hydrovaccing and saw cutting activities. Drivers may experience temporary delays resulting from the detour. We appreciate your patience while this work is underway.

If you have any questions about this work, please email info@fcgp.ca or call the 24/7 construction information phone line: 1-844-815-6149.
