

Highway 17 eastbound lane closures

October 25, 2022

The Highway 17 eastbound fast lane, just east of the Pattullo Bridge, will be temporarily closed between 7 p.m. and 8 a.m. on the following days:

- Monday, October 24 and continuing until the morning of Tuesday, October 25
- Wednesday, October 26 and continuing until the morning of Thursday, October 27

These extended closures are for crews to conduct concrete pours at the bridge foundation that is in the centre median of the highway. These lane closures are required so that equipment and crews can safely access and perform work at this location. The eastbound slow lane will remain open at all times.

Access for emergency responders will be maintained at all times, and all traffic pattern changes will be well signed. Traffic control personnel will be on site when required and drivers are asked to follow signage and obey traffic control personnel.

What to Expect

Timing

Starting on Monday, October 24 and continuing until the morning of Tuesday, October 25

Starting on Wednesday, October 26 and continuing until the morning of Thursday, October 27

Hours of Work

Starting at 7:00 p.m. and continuing until 8:00 a.m.
