

# Closure of the Highway 17 westbound Tannery Road off-ramp

UPDATED: February 9, 2023

On Monday, February 13, the Highway 17 westbound off-ramp to Tannery Road will be closed between the hours of 7:00 p.m. and 5:00 a.m.

This closure is required for crews to conduct geotechnical drilling activities in the area. While the closure is in effect, drivers will be detoured to 120 Street via Old Yale Road.

All traffic pattern changes and detours will be well-signed and traffic control personnel will be on site.

A small amount of hydrovaccing will be required and will be undertaken as soon as the closure is implemented to minimize local noise impacts.

## What to Expect

### Timing

February 13, 2023

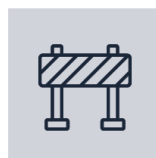

### Hours of Work

7:00 p.m. – 5:00 a.m.

### Traffic

Traffic will be detoured to the Old Yale Road exit while the closure is in effect. Traffic control personnel will be on site to direct traffic, pedestrians, and cyclists. Detour signage will be in place.

### Impacts/Interruptions

Nearby residents and businesses may hear some noise from the geotechnical drilling and hydrovaccing activities. Drivers may experience temporary delays resulting from the detour. We appreciate your patience while this work is underway.
