

Tree removal on Dufferin Street

March 2, 2023

Fraser Crossing Partners will remove some trees in the right-of-way adjacent to the Royal Avenue on-ramp to create the required space for construction of new multi-use pathways and the improved Royal Avenue on-ramp. Tree removal work will be done in stages, beginning March 6, 2023.

Trees removed as part of Project work will be replaced at a minimum ratio of 2:1. The Project team will work closely with municipalities and First Nations on the replacement of trees and the enhancement of sites within the Project area over the duration of the Project. This will include planting new trees and shrubs in the area. For more information about the Project's Tree Replacement, [click here](#) or visit the Project website at pattullobridgereplacement.ca.

The trees being removed, and phases of work, are shown in the graphic below:

What to Expect

Timing

Phase one to start March 6, 2023 and continue for approximately five days.

Phase two start date to be confirmed. Additional notification will be provided in advance.

Hours of Work

- Monday to Friday from 7 a.m. – 8 p.m.
- Some weekend work may be required from 9 a.m. – 6 p.m.

Traffic

When required, traffic control personnel will be on site to direct traffic, pedestrians, and cyclists. All traffic pattern changes, if required, will be well signed.

Impacts/Interruptions

Nearby residents may hear noise from tree removal equipment. We thank you for your patience as this work is completed.

If you have any questions about this work, please email info@fcgp.ca or call the 24/7 phone line: 1-844-815-6149.
