

Temporary closures of Bridge Road in Surrey

March 7, 2023

Additional temporary closures of Bridge Road between Old Yale Road and Musqueam Drive will be required throughout the spring for FCP crews to continue with underground utility, paving, and off-ramp foundation work in the area.

When this closure is in effect, traffic will be detoured to 130 Street to access Bridge Road, 116 Avenue, Industrial Road, and Musqueam Drive.

All traffic pattern changes will be well signed, and traffic control personnel will be on site to assist drivers when required.

Once this work is complete, we will shift traffic onto the new alignment to avoid future closures. We appreciate your continued patience with this ongoing work.
