

Temporary closures of Bridge Road in Surrey

UPDATED: March 10, 2023

The current closure of Bridge Road between Old Yale Road and Musqueam Drive will be extended until the end of March as the schedule has shifted and crews will be conducting off-ramp foundation work in the area. This work will begin during the week of March 13. Another closure will be required in mid-April for approximately two weeks.

While this closure is in effect, traffic will be detoured to 130 Street to access Bridge Road, 116 Avenue, Industrial Road, and Musqueam Drive.

All traffic pattern changes will be well signed, and traffic control personnel will be on site to assist drivers when required.

Once this work is complete, we will shift traffic onto the new alignment to avoid future closures. We appreciate your continued patience with this ongoing work.

What to Expect

Timing

Current closure: March 8 – 31

Another closure will be required in mid-April for approximately two weeks.

Hours of Work

Closure will be in effect 24/7

Traffic

Drivers will be detoured to 130 Street while the Bridge Road closure is in effect. When required, traffic control personnel will be on site to direct traffic. All traffic pattern will be well-signed.

Impacts/Interruptions

Nearby businesses may hear noise from the utility work, paving, and pile driving work. Drivers may experience temporary delays resulting from the detour. We appreciate your patience while this work is underway.

If you have questions about this closure, please email info@fcgp.ca or call the 24/7 phone line: 1-844-815-6149.
