

Utility work on Agnes Street and Hastings Street

March 16, 2023

Starting on Monday, March 20, Fraser Crossing Partners will be conducting additional utility work on Agnes Street between 1st Street and Dufferin Street, as well as on Hastings Street south of Agnes Street. This work will take approximately two weeks to complete.

To complete this work, traffic will be shifted to create space for crews to excavate the utilities underneath the existing roadway. Traffic in both directions on Agnes Street and Hastings Street will be maintained at all times. Temporary parking restrictions will be in place on both sides of Agnes Street and the east side of Hastings Street.

All traffic pattern changes and parking restrictions will be well-signed, and traffic control personnel will be on-site when required.

What to Expect

Timing

Starting March 20, 2023 and continuing for approximately two weeks.

Hours of Work

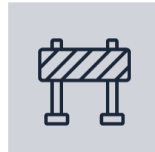

- Monday to Friday from 7 a.m. – 8 p.m.
- Saturday from 9 a.m. – 6 p.m.

Lane shift and temporary parking restrictions will be in effect 24/7.

Traffic

Traffic lanes on Agnes Street between 1st Street and Dufferin Street, as well as on Hastings Street south of Agnes Street, will be shifted to create work space. Travel in both directions will be maintained. Traffic control personnel will be on-site when required to assist with crews accessing the work area.

Impacts/Interruptions

Nearby residents may hear noise from saw cutting, hydrovacating, and other machinery during the day. Temporary parking restrictions will be in effect. We appreciate your patience and understanding while this work is underway.
