

Full closure of Pattullo Bridge: April 6 – 11 long weekend

March 28, 2023

Starting at 10:00 p.m. on Thursday, April 6 and continuing until 5:00 a.m. on Tuesday, April 11, the Pattullo Bridge will be closed in both directions for Fraser Crossing Partners to complete soil densification activities in the roadway at the south end of the bridge in Surrey, paving, and relocation of the seismic warning system for the existing bridge. The warning system will be temporarily disconnected during this time and must be completed with no traffic on the bridge, to ensure the safety of motorists.

TransLink will also be conducting bridge work during this period, including speed sign relocation, line painting, concrete patching, and inspections requiring rope access onto the overhead bridge truss.

Pattullo Bridge users are encouraged to take the Port Mann or Alex Fraser during the closure.

Northbound and southbound N19 NightBus trips will be rerouted over the Queensborough and Alex Fraser bridges, and affected customers should plan for an additional 30 minutes of travel time.

What to Expect

Timing

Thursday, April 6 to Tuesday, April 11

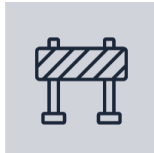

Hours of Work

Pattullo Bridge closure from 10 p.m. on Thursday, April 6 to 5 a.m. on Tuesday, April 11.

Traffic

A full closure of the Pattullo Bridge in both directions. Signage will be in place, and detours will be required.

Impacts/Interruptions

Pattullo Bridge users will need to plan for additional travel time. We appreciate your patience while this work is underway.

If you have questions about this work, please email info@fcgp.ca or call the 24/7 phone line: 1-844-815-6149.
