

Temporary closures of Bridge Road in Surrey

UPDATED: March 31, 2023

The current closure of Bridge Road between Old Yale Road and Musqueam Drive will be extended until the end of April as the schedule has shifted and crews will be continuing off-ramp foundation work in the area.

While this closure is in effect, traffic will be detoured to 130 Street to access Bridge Road, 116 Avenue, Industrial Road, and Musqueam Drive.

All traffic pattern changes will be well signed, and traffic control personnel will be on site to assist drivers when required.

Once this work is complete, we will shift traffic onto the new alignment to avoid future closures. We appreciate your continued patience with this ongoing work.
