

Underground utility work and temporary nighttime lane closures – Royal Avenue on-ramp and McBride Boulevard southbound

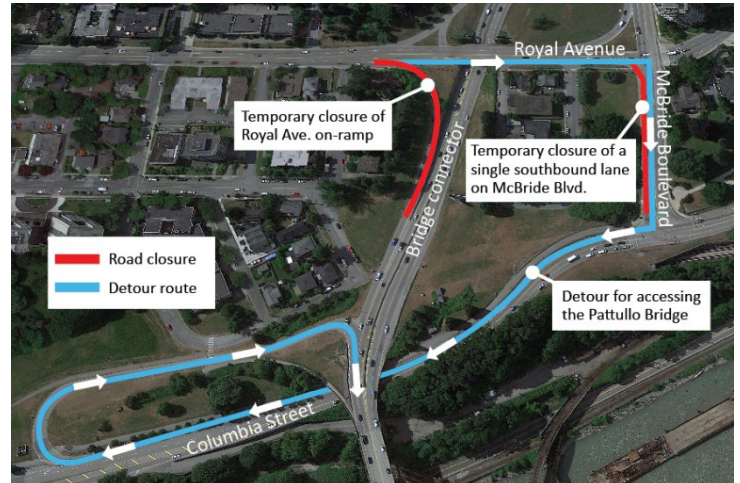

May 30, 2023

Please be advised that Fraser Crossing Partners will be conducting some underground utility work on the Royal Avenue on-ramp and McBride Boulevard between Royal Avenue and Columbia Street. This work will take place on the evenings of Wednesday, May 31, Thursday, June 1, and Friday, June 2 between 7 p.m. and 5 a.m. All three nights may not be required.

To complete this work, the Royal Avenue on-ramp will be temporarily closed for approximately three hours between 8 p.m. and 11 p.m. on each night. Drivers will be directed to use the Columbia Street loop-ramp via McBride Boulevard to access the Pattullo Bridge.

One southbound lane on McBride Boulevard will also be temporarily closed between 7 p.m. and midnight on each night. One lane will be maintained at all times.

Some saw-cutting and hydrovaccing will be required and will be undertaken as soon as each closure is implemented to minimize local noise impacts. Short periods of noise are expected.

What to Expect

Timing

Wednesday, May 31, Thursday, June 1, and Friday, June 2, 2023 (all three nights may not be required).

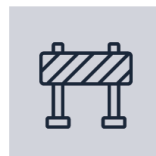

Hours of Work

7 p.m. to 5 a.m.
Sawcutting and hydrovaccing activities will take place between 7 p.m. and 10 p.m. on each night. The Royal Avenue on-ramp will be closed between 8 p.m. and 11 p.m. on each night.

Traffic

Traffic will be directed to the Columbia Street loop-ramp to access the Pattullo Bridge. When required, traffic control personnel will be on site to direct traffic, pedestrians, and cyclists. All traffic pattern changes will be well-signed.

Impacts/Interruptions

Nearby residents may hear some noise from the saw-cutting and hydrovaccing activities. Drivers may experience temporary delays resulting from the detour. We appreciate your patience while this work is underway.
