## What to Expect

### Timing

Starting April 17 and continuing until early June.

### Hours of Work

24/7 work. As much as possible, work that is anticipated to be noisy will be completed during daytime hours.

### Traffic

Traffic control personnel will be on site to direct traffic as required. All traffic pattern changes will be well signed. Pedestrians and cyclists will not be impacted when this work is underway.

### Impacts/Interruptions

Nearby residents may hear noise from heavy equipment including an excavator and jackhammer. Noise barriers have been installed to reduce noise impacts. Drivers may need to plan for additional travel time. We appreciate your patience while this work is underway.
