

# Nighttime westbound lane closure on Royal Avenue between McBride Boulevard and Dufferin Street

July 25, 2023

Between Friday, July 28 and Monday, July 31, FCP will be conducting additional underground utility work across Royal Avenue. A nighttime westbound lane closure will be implemented on Royal Avenue between McBride Boulevard and Dufferin Street for crews to complete this work.

The following traffic pattern changes will be implemented while this work is underway.

- **Westbound vehicles on Royal Avenue:** the westbound through lane from E. Royal Avenue will be closed at night and drivers will be detoured to Columbia Street. One eastbound lane will be maintained.

- **Northbound vehicles on McBride Boulevard:** northbound left turns to Royal Avenue will not be permitted. Trucks from E. Columbia Street will be detoured to Front Street for westbound travel.

- **Northbound vehicles on Bridge Connector using the Royal Avenue loop-ramp:** single lane closures on the loop-ramp will be required throughout the weekend. Access to Royal Avenue westbound will be maintained.

- **Southbound vehicles on Bridge Connector using the Royal Avenue off-ramp:** the left-turn restriction to Royal Avenue eastbound will remain in effect. Access to Royal Avenue westbound will be maintained.

- **Right-in, right-out access at Leopold Place;** no access at Bushby Street to or from Royal Avenue.

- **Pedestrian and cyclist access along Royal Avenue and McBride Boulevard will be maintained;** pedestrians and cyclists will be detoured to the sidewalk on the east side of McBride Boulevard.

## What to Expect

### Timing

July 28-31

### Hours of Work

Friday from 7:00 p.m. to Monday at 5 a.m.

Non-noisy work activities will take place throughout the night and early morning hours.

### Traffic

Traffic control personnel will be on site to direct traffic, pedestrians, and cyclists. All traffic pattern changes will be well-signed.

The nighttime westbound lane closure on Royal Avenue will be in place from 7:00 p.m. to 8:00 a.m. on Friday, July 28. This closure will also likely be required on the night of Saturday, July 29.

Single lane closures on the Royal Avenue loop ramp will be required throughout the weekend.

### Impacts/Interruptions

Nearby residents may hear noise from heavy equipment and hydrovaccing activities during the daytime hours of work.

Drivers may experience temporary delays on Royal Avenue. We appreciate your patience and understanding while this work is underway.
