

Nighttime closures of the Royal Avenue on-ramp

September 26, 2023

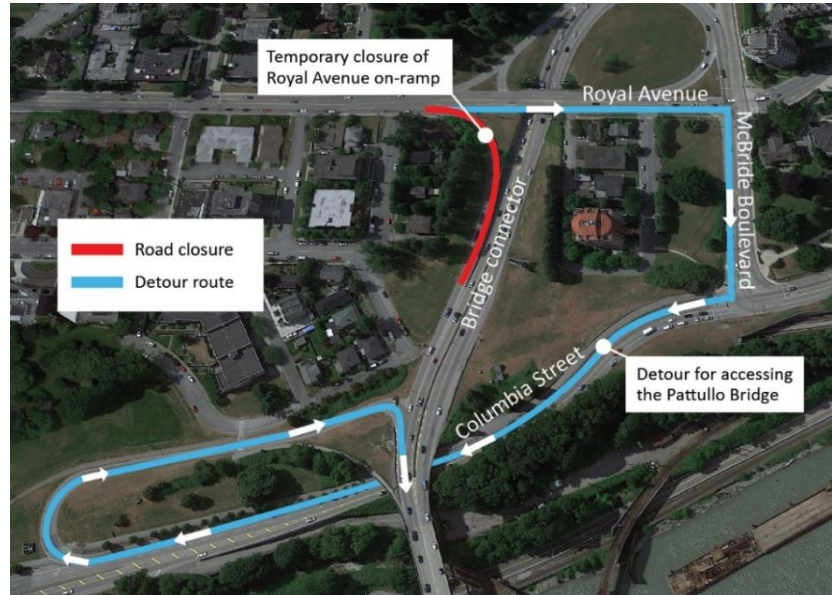

On Thursday, September 28 and Friday, September 29, the Royal Avenue on-ramp will be closed between 8 p.m. and 5 a.m.

These closures are required so Fraser Crossing Partners can conduct preparation activities in advance of underground drainage work scheduled to take place in mid-October.

As shown in the graphic on the right, drivers will be directed to use the Columbia Street loop-ramp via McBride Boulevard to access the Pattullo Bridge. Detour signage will be in place.

Saw cutting activities are required as part of this work. Periods of noise are expected.

The on-ramp closure is scheduled overnight to minimize traffic impacts.

What to Expect

Timing

Thursday, September 28 and Friday, September 29

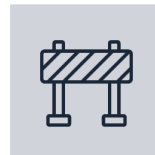

Hours of Work

Between 8 p.m. and 5 a.m.

Traffic

Traffic will be directed to the Columbia Street loop-ramp for accessing the Pattullo Bridge. When required, traffic control personnel will be on site to direct traffic, pedestrians, and cyclists. All traffic pattern changes will be well-signed.

Impacts/Interruptions

Nearby residents and businesses may hear some noise from the saw cutting work. Drivers may experience temporary delays resulting from the detour. We appreciate your patience while this work is underway.
