

# Traffic pattern changes on Royal Avenue between McBride Boulevard and 1<sup>st</sup> Street

September 28, 2023

During the week of October 2, 2023, FCP will be conducting underground drainage work along Royal Avenue between McBride Boulevard and 1<sup>st</sup> Street.

The following traffic pattern changes will be implemented while this work is underway. Two additional weeks of work will be required in late October/early November.

- **Eastbound/westbound vehicles on Royal Avenue:** One lane in each direction will continue to be maintained.
- **No access to Dufferin Street from Royal Avenue:** Drivers wishing to access Dufferin St. will need to use 1<sup>st</sup> St. or Coburg St.
- **Right-in, right-out access** will be in effect at Coburg St., Bushby St., and Leopold Pl.
- **Southbound vehicles on Bridge Connector using the Royal Avenue off-ramp:** The left-turn restriction to Royal Ave. eastbound will remain in effect. Access to Royal Ave. westbound will be maintained.

Pedestrian and cyclist access along Royal Avenue will be maintained.

## What to Expect

### Timing

Starting Monday, October 2 and continuing for approximately one week.

Two additional weeks of work will be required in late October/early November.

### Hours of Work

- Monday to Friday from 7 a.m. – 8 p.m.
- Saturday from 9 a.m. – 6 p.m.

Non-noisy work activities will take place at night. The traffic pattern changes will be in effect 24/7.

### Traffic

Traffic control personnel will be on site to direct traffic, pedestrians, and cyclists when required. All traffic pattern changes will be well-signed.

### Impacts/Interruptions

Nearby residents may hear noise from heavy equipment, saw cutting, and hydrovacating activities during the daytime hours of work. Drivers may experience temporary delays on Royal Avenue. We appreciate your patience and understanding while this work is underway.
