

Underground drainage work and nighttime closures of the Royal Avenue on-ramp

October 5, 2023

Starting October 5, the Royal Avenue on-ramp will be closed nightly between 10 p.m. and 5 a.m. for approximately two weeks. This closure is required so Fraser Crossing Partners can conduct underground drainage work on the on-ramp.

As shown in the graphic on the right, drivers will be directed to use the Columbia Street loop-ramp via McBride Boulevard to access the Pattullo Bridge. Detour signage will be in place.

The on-ramp closure is scheduled overnight to minimize traffic impacts. This work is not anticipated to be noisy.

What to Expect

Timing

Starting October 5 and continuing nightly for approximately two weeks.

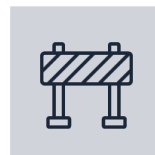

Hours of Work

Between 10 p.m. and 5 a.m.

Traffic

Traffic will be directed to the Columbia Street loop-ramp for accessing the Pattullo Bridge. When required, traffic control personnel will be on site to direct traffic, pedestrians, and cyclists. All traffic pattern changes will be well-signed.

Impacts/Interruptions

Drivers may experience temporary delays resulting from the detour. We appreciate your patience while this work is underway.

If you have any questions about this work, please email info@fcgp.ca or call the 24/7 construction information phone line: 1-844-815-6149.
