

# 24-hour closure of Highway 17 between Tannery Road and Bridgeview Drive

November 10, 2023

Fraser Crossing Partners will implement a 24-hour closure of Highway 17 in both directions between Tannery Road and Bridgeview Drive, from Sunday, November 19 at 5 a.m. to Monday, November 20 at 5 a.m. This closure is required for scheduled track repairs that will be performed by Southern Railway of British Columbia Limited (SRY) while Pattullo Bridge Replacement Project crews complete drainage work in the area. Road signage will be in place and traffic control personnel will be on site.

Detour routes will be clearly marked and are as follows (shown on page two):

- **Highway 17 westbound** – drivers will be detoured at Bridgeview Drive to King George Boulevard, 120 Street, and Tannery Road to continue westbound travel.
- **Highway 17 eastbound** – drivers will be detoured at Tannery Road to 120 Street, King George Boulevard, and will access Highway 17 eastbound via Bridgeview Drive.

While this work is underway, crews will be excavating the roadway to replace the railway tracks that cross Highway 17. Nearby residents and businesses may hear some construction noise.

Drivers can expect delays and are reminded to observe signage, traffic control personnel, and the construction zone speed limit. Please check [www.DriveBC.ca](http://www.DriveBC.ca) for updates. Access for emergency responders and cyclists will not be maintained and will need to follow the detour routes.
