

# Rescheduled: Overnight Closure of Bridge Connector southbound

November 10, 2023

On Tuesday, November 14, Fraser Crossing Partners will require an overnight closure of the southbound Bridge Connector in New Westminster. This closure was originally scheduled for November 9 but was rescheduled due to poor weather conditions.

This closure is required for crews to update the lane configuration on the bridge approach to accommodate additional construction activities.

Drivers on Bridge Connector going to Surrey will be detoured to the Columbia Street loop-ramp to access the Pattullo Bridge.
