

# Tree removal on Dufferin Street and temporary closures of the Royal Avenue on-ramp

January 11, 2024

On Saturday, January 13 and Saturday, January 20, Fraser Crossing Partners will be completing the second stage of tree removal adjacent to the Royal Avenue on-ramp to create the required space for construction of new multi-use pathways and the improved Royal Avenue on-ramp. To complete this work, the Royal Avenue on-ramp will be closed between 7 a.m. and 5 p.m. on both days. Drivers will be directed to use the Columbia Street loop-ramp via McBride Boulevard.

Trees removed as part of Project work will be replaced at a minimum ratio of 2:1. The Project team will work closely with municipalities and First Nations on the replacement of trees and the enhancement of sites within the Project area over the duration of the Project. This will include planting new trees and shrubs in the area. For more information about the Project's Tree Replacement, [click here](#) or visit the Project website at [pattullobridgereplacement.ca](http://pattullobridgereplacement.ca).

The trees being removed, and stages of work, are shown in the graphic below:

## What to Expect

### Timing

Saturday, January 13

Saturday, January 20

### Hours of Work

9 a.m. – 6 p.m.

The Royal Avenue on-ramp will be closed between 7 a.m. and 5 p.m.

### Traffic

Traffic will be directed to the Columbia Street loop-ramp for accessing the Pattullo Bridge. When required, traffic control personnel will be on site to direct traffic, pedestrians, and cyclists. All traffic pattern changes will be well-signed.

### Impacts/Interruptions

Nearby residents may hear noise from tree removal equipment. Drivers may experience temporary delays resulting from the detour. We thank you for your patience as this work is completed.

If you have any questions about this work, please email [info@fcgp.ca](mailto:info@fcgp.ca) or call the 24/7 phone line: 1-844-815-6149.
