

One-month full closure of Front Street

January 19, 2024

Starting the week of February 5, Fraser Crossing Partners will implement a one-month full closure of Front Street between Begbie Street and E. Columbia Street. Front Street Mews will remain open. This closure is required for crews to offload steel girders, build temporary support structures, and begin installing girders, which will form the new bridge deck, between Front Street and Columbia Street.

While this full closure is in effect, drivers will be detoured to Columbia Street. Trucks will continue to use official truck routes (including observing applicable time restrictions). All traffic pattern changes and detours will be well signed, and traffic control personnel will be on site to direct traffic as required.

Additional closures of both Front Street and Columbia Street will be required to install girders and build the new bridge deck over the roadway. The next closure will be a full closure of Columbia Street for crews to lift girders across this section of roadway. Front and Columbia will not be closed at the same time, and more information will be provided in advance.

What to Expect

Timing

Starting the week of February 5 and continuing for approximately one month.

Hours of Work

Monday to Friday from 7:00 a.m. – 8:00 p.m.
Saturdays from 9:00 a.m. – 6:00 p.m.

Some non-noisy work activities will take place at night and on Sundays. The full road closure will be in effect 24/7.

Traffic

Drivers will be detoured to Columbia Street. Trucks will be detoured to designated truck routes such as Royal Avenue and Braid Street/E 8th Ave during the day.

Alternatively, trucks may use 10th Ave both day and night. Traffic control personnel will be on site to assist when necessary. All traffic pattern changes and detour routes will be well signed.

Impacts/Interruptions

Drivers may experience longer than normal travel times due to detours and higher traffic volumes. We appreciate your patience while this work is underway.

More information regarding girder installation activities in New Westminster and the required road closures is available at pattullobridgereplacement.ca. Additional notifications will be provided in advance of each closure.

If you have any questions about this work, please email info@fcgp.ca or call the 24/7 phone line: 1-844-815-6149.
