

Nighttime lane closures on Royal Avenue, McBride Boulevard, Columbia Street, and Bridge Connector for utility work

March 7, 2024

Starting Monday, March 11, crews will be installing underground utilities along Royal Avenue, McBride Boulevard, Columbia Street, and Bridge Connector within the Project area. While this work is underway, one lane will remain open in each direction and a second lane may be closed intermittently. This work will continue for approximately two months.

Saw cutting activities are required as part of this work. Periods of noise are expected; however, these activities will be conducted as early in the evening as possible.

What to Expect

Timing

Starting Monday, March 11 and continuing for approximately two months.

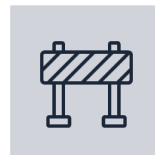

Hours of Work

7 p.m. – 5 a.m.

Traffic

Nighttime lane closures will be required on Royal Avenue, McBride Boulevard, Columbia Street, and Bridge Connector within the Project area. One lane will remain open in each direction at all times. Traffic control personnel will be on site to assist when required, and all traffic pattern changes will be well-signed.

Impacts/Interruptions

Nearby residents may hear noise from construction activities. We appreciate your patience while this work is underway.
