

Single lane alternating traffic on Bridge Road and Musqueam Drive

November 8, 2024

Starting Tuesday, November 12, Fraser Crossing Partners will be conducting underground utility relocation work along Bridge Road and on Musqueam Drive near the intersection with Industrial Road. This work will take approximately three weeks to complete.

While this work is underway, short sections of single lane alternating traffic will be in effect during daytime hours. All traffic pattern changes will be well-signed, and traffic control personnel will be on site to assist drivers as required.

Drivers may wish to consider alternate routes while this work is underway via Bridgeview Drive to access 116 Avenue, Industrial Road, and Musqueam Drive.

What to Expect

Timing

Starting Tuesday, November 12 and continuing for approximately three weeks.

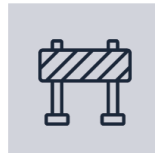

Hours of Work

Monday to Saturday from 7 a.m. to 10 p.m.

Traffic

Short sections of single lane alternating traffic will be in effect on Bridge Road and on Musqueam Drive near the intersection with Industrial Road. Access to Bridge Road from Old Yale Road will be maintained; however, drivers may wish to use Bridgeview Drive while this work is underway. Traffic control personnel will be on site to direct traffic as required and all traffic patterns will be well-signed.

Impacts/Interruptions

Drivers may experience temporary delays resulting from this work. We appreciate your patience while this work is underway.

If you have questions about this closure, please email info@fcgp.ca or call the 24/7 phone line: 1-844-815-6149.
