

Overnight full closures of Front Street

April 8, 2025

Starting mid to late April, Fraser Crossing Partners will begin installing deck panels and overhang brackets on the girders across Front Street. To complete this work, full overnight closures of Front Street between 9:00 p.m. and 5:00 a.m. will be required for approximately four to six weeks. **Front Street Mews and Columbia Street will remain open and access to businesses in downtown New Westminster will be unaffected.**

While these overnight closures are in effect, trucks will be reminded to use official truck routes (which exclude Columbia Street at all hours, and Royal Avenue after 9 p.m.), and drivers will be detoured to Columbia Street.

This notification will be reissued with the start date of this work once confirmed.
