PATTULLO BRIDGE
REPLACEMENT

Overnight closures of Highway 17 and 112/111a Avenue to install barriers on the new bridge deck

May 16, 2025

Starting Tuesday, May 20, Fraser Crossing Partners will begin installing barriers along both sides of the new bridge deck across Highway 17. This work will take approximately two weeks to complete.

While this work is underway, overnight (9 p.m. to 5 a.m.) directional closures of Highway 17 will be required. When Highway 17 eastbound closures are in place, occasional closures of 112/111a Avenue will also be required from 7 p.m. to 5 a.m. Bridge Road is currently closed for ongoing roadworks and construction of the new Highway 17 off-ramp.

Confirmation of the Highway 17 westbound and eastbound closures will be communicated in advance via traffic media and posted on drivebc.ca. Please also watch for signage indicating when closures and detours will be in place.

Access for emergency responders and cyclists will not be maintained while closures are in place. Detour routes will be clearly marked and are as follows (shown below):

- **Highway 17 westbound** – drivers will be detoured at Bridgeview Drive to King George Boulevard, 120 Street, and Tannery Road to continue westbound travel.
- **Highway 17 eastbound** – drivers will be detoured at Tannery Road to 120 Street, King George Boulevard, and will access Highway 17 eastbound via Bridgeview Drive.

Once the barriers have been installed, crews will install fencing and drainage. An additional notification will be provided.

What to Expect

Timing

Starting Tuesday, May 20 and continuing for approximately two weeks.

Hours of Work

When required, directional closures of Highway 17 will be implemented between 9 p.m. and 5 a.m.

Closures of 112/111a Avenue will be implemented between 7 p.m. and 5 a.m.

Timing and durations of closures will be indicated on road signage and communicated in advance.

Traffic

Overnight closures of Highway 17 and 112/111a Avenue will be required. Drivers will be detoured at Tannery Road and Bridgeview Drive while closures of Highway 17 are in effect. Bridge Road is currently closed. All traffic pattern changes, and detour routes will be well signed, and traffic control personnel will be on site to assist when required.

Impacts/Interruptions

Drivers may experience longer than normal travel times due to the detours. Nearby residents and businesses may hear intermittent noise from construction activities.

We appreciate your patience while we complete this work. If you have any questions about this work, please email info@fcgp.ca or call the 24/7 construction information phone line: 1-844-815-6149. For more information about the Project, visit pattullobridgereplacement.ca.
