

# Pattullo Bridge: Overnight northbound closures

June 24, 2025

Please be advised that both northbound lanes on the Pattullo Bridge will be closed on the evenings noted in the table below for Fraser Crossing Partners to install the joint connecting the new bridge deck to the bridge approach in Surrey. These northbound closures of the existing bridge are required due to the proximity of equipment to the existing bridge.

Closure #	Closure Dates	Time	Direction Closed
1	Thursday, June 26	9 p.m. – 5 a.m.	Pattullo Bridge Northbound (towards New Westminster)
2	Friday, June 27 (if required)	9 p.m. – 5 a.m.	Pattullo Bridge Northbound (towards New Westminster)
3	Wednesday, July 2	9 p.m. – 5 a.m.	Pattullo Bridge Northbound (towards New Westminster)
4	Thursday, July 3 (if required)	9 p.m. – 5 a.m.	Pattullo Bridge Northbound (towards New Westminster)

Pattullo Bridge users going to New Westminster during these overnight closures are encouraged to take the Port Mann or Alex Fraser bridges. Southbound travel will remain open but will be reduced to one lane, per TransLink's recurring overnight lane closure for drivers travelling from New Westminster to Surrey.

Northbound N19 NightBus trips will be rerouted over the Queensborough and Alex Fraser bridges, and affected customers should plan for an additional 30 minutes of travel time. Access for pedestrians and cyclists will be maintained.
