PATTULLO BRIDGE  
REPLACEMENT

# Overnight closures of Columbia Street between McBride Boulevard and Elliot Street

July 8, 2025

Starting Monday, July 14, Fraser Crossing Partners will be conducting concrete pours between the deck panels across Columbia Street. To complete this work, four overnight closures of Columbia Street between McBride Boulevard and Elliot Street will be required from 9 p.m. to 5 a.m. This work is weather dependent.

Drivers will be detoured to Royal Avenue or Front Street. The Columbia Street loop-ramp will be closed, but access to the Pattullo Bridge will be maintained via McBride Boulevard (Bridge Connector) and the Royal Avenue on-ramp. Access will be maintained for pedestrians and cyclists; however, short stoppages of up to 10 minutes may be required.

Columbia Street between 6th Street and Elliot Street will remain open for local traffic and **access to and from all businesses on Columbia Street and Front Street Mews will be maintained at all times via 4<sup>th</sup> and 6<sup>th</sup> Street**. All traffic pattern changes and detours will be well signed.
