PATTULLO BRIDGE
REPLACEMENT

Overnight closures of Front Street

August 1, 2025

Starting Tuesday, August 5, Front Street will be closed overnight from 9 p.m. to 5 a.m. for approximately three nights for Fraser Crossing Partners to conduct preparation activities for the bridge concrete overlay deck pours and to complete several ancillary concrete pours for the North Approach.

Preparation and concrete pour activities must be completed while there is no traffic underneath to ensure public safety. **Front Street Mews will remain open and access to businesses in downtown New Westminster will be maintained at all times.**

While Front Street is closed, trucks will be required to use official truck routes (which exclude Columbia Street at all hours, and Royal Avenue after 9 p.m.) and regular traffic will be detoured to Columbia Street. All traffic pattern changes and detours will be well signed, and traffic control personnel will be on site.

Once these activities are complete, additional overnight closures of both Front Street and Columbia Street will be required to conduct the concrete overlay deck pours. Advance notification will be provided.

For more information, please visit the Current Works page on the Project website at pattullobridgereplacement.ca or [click here](#) for an overview of the ongoing deck construction activities.

What to Expect

Timing

Starting Tuesday, August 5 for approximately three nights.

Hours of Work

9 p.m. to 5 a.m.

Traffic

While Front Street is closed, regular traffic will be detoured to Columbia Street. Trucks will be detoured to designated truck routes at all times. All traffic pattern changes and detours will be well signed, and traffic control personnel will be on site to assist when necessary.

Impacts/Interruptions

Drivers may experience longer than normal travel times due to detours. This work is not anticipated to be noisy.

We appreciate your patience. If you have any questions about this work, please email info@fcgp.ca or call the 24/7 construction information phone line: 1-844-815-6149. For more information about the Project, visit pattullobridgereplacement.ca.
