# Overnight closures of Front Street

August 15, 2025

On Monday, August 18 and Tuesday, August 19, Front Street will be closed overnight for Fraser Crossing Partners to conduct concrete pours between the deck panels across Front Street. These activities must be completed while there is no traffic underneath to ensure public safety.

**Front Street Mews will remain open and access to businesses in downtown New Westminster will be maintained at all times.** While Front Street is closed, trucks will be required to use official truck routes (which exclude Columbia Street at all hours, and Royal Avenue after 9 p.m.) and regular traffic will be detoured to Columbia Street. All traffic pattern changes and detours will be well signed, and traffic control personnel will be on site.

Additional overnight closures of both Front Street and Columbia Street will be required to conduct the concrete overlay deck pours for the north approach. Advance notification will be provided.

## What to Expect

### Timing

Monday, August 18 and Tuesday, August 19.

If needed, an additional overnight closure could be implemented on Wednesday, August 20.

This work is weather dependent.

### Hours of Work

9 p.m. to 5 a.m.

### Traffic

While Front Street is closed, regular traffic will be detoured to Columbia Street. Trucks will be detoured to designated truck routes at all times. All traffic pattern changes and detours will be well signed, and traffic control personnel will be on site to assist when necessary.

### Impacts/Interruptions

Drivers may experience longer than normal travel times due to detours. This work is not anticipated to be noisy.
