PATTULLO BRIDGE
REPLACEMENT

Sidewalk construction on Royal Avenue

UPDATED: August 8, 2025

Starting Monday, August 11, Fraser Crossing Partners will be constructing the new sidewalk on the south side of Royal Avenue between 1st Street and Bushby Street. This work was scheduled to start the week of July 21; however, it was rescheduled to complete other required utility works. This work will take approximately three weeks to complete.

While this work is underway, the existing sidewalk on the south side of Royal Avenue will be temporarily closed. Pedestrians and cyclists will be detoured to the new sidewalk on the north side of Royal Avenue. Access will be maintained for residents on Leopold Place and Bushby Street.

To assist pedestrians travelling along Royal Avenue, two new pedestrian activated crosswalks have been installed for the new crossings at the Royal Avenue loop-ramp and at McBride Boulevard.

What to Expect

Timing

Starting Monday, August 11 and continuing for approximately three weeks.

Hours of Work

Monday to Friday from 7 a.m. to 8 p.m.
Saturdays from 9 a.m. to 6 p.m.

Traffic

When required, traffic control personnel will be on site to assist drivers, pedestrians, and cyclists. All traffic pattern changes will be well-signed.

Impacts/Interruptions

Nearby residents may hear noise from construction activities.

We appreciate your patience while we complete this work. If you have any questions about this work, please email info@fcgp.ca or call the 24/7 construction information phone line: 1-844-815-6149. For more information about the Project, visit pattullobridgereplacement.ca.
