

# Closures of Highway 17 for paving

August 29, 2025

Starting the night of Monday, September 1, Fraser Crossing Partners will be paving a section of Highway 17 between Tannery Road and Bridgeview Drive in Surrey. This work will take approximately one week to complete. Milling activities will be required in advance of paving and may result in periods of noise.

While this work is underway, the following closures of Highway 17 will be implemented:

- Overnight (9 p.m. to 5 a.m.) single lane closures on Monday, September 1
- Overnight (9 p.m. to 5 a.m.) full westbound or eastbound closures from Tuesday, September 2 to Thursday, September 4
- A full closure in both directions from 9 p.m. on Friday, September 5 until 5 a.m. on Sunday, September 7
- A full day eastbound closure from 5 a.m. on Sunday, September 7 until 5 a.m. on Monday, September 8

Confirmation of the directional and full Highway 17 closures will be communicated in advance via traffic media and posted on [drivebc.ca](https://drivebc.ca). Please also watch for signage indicating when closures and detours will be in place.

While these closures are in place, drivers will be detoured between Bridgeview Drive and Tannery Road. Access for emergency responders and cyclists will not be maintained while closures are in place. Detour routes will be clearly marked and are shown below:
