

Temporary closure of section of Old Yale Road for paving

August 29, 2025

Starting Tuesday, September 2, Fraser Crossing Partners will be paving Old Yale Road near Bridge Road. This work will take approximately two days to complete.

While this work is underway, Old Yale Road will be limited to local traffic only, and access underneath Highway 17 will not be maintained. Drivers on both sides of Highway 17 will be detoured to Tannery Road.

Milling activities will be required in advance of paving and may result in periods of noise. As much as possible, noisy work will be completed during the day.
