PATTULLO BRIDGE  
REPLACEMENT

# Overnight lane closures on Front Street, Columbia Street, and McBride Boulevard for concrete bridge deck pour

September 8, 2025

On Tuesday, September 9, Fraser Crossing Partners will be conducting the first concrete overlay bridge deck pour in New Westminster.

While this work is underway, traffic on all three streets will be maintained in both directions. On Front Street, single lane alternating traffic will be in effect. On Columbia Street and McBride Boulevard, single lane closures will be required for the staging of equipment and concrete trucks.

**Front Street Mews will remain open and access to businesses in downtown New Westminster will be maintained at all times.**

Overnight closures of Front and Columbia Streets will be required to complete the remaining concrete overlay bridge deck pours. They will not be fully closed at the same time. Follow-up notifications will be provided.

## What to Expect

### Timing

Tuesday, September 9.

This work is weather dependent.

### Hours of Work

Single lane alternating traffic on Front Street will be in effect from 9 p.m. to 5 a.m.

Single lane closures on Columbia Street and McBride Boulevard will be in effect from 7 p.m. to 5 a.m.

### Traffic

Single lane alternating traffic will be in effect on Front Street and single lane closures will be required on Columbia Street and McBride Boulevard; however, traffic will be maintained in both directions. All traffic pattern changes will be well signed, and traffic control personnel will be on site to assist when necessary.

### Impacts/Interruptions

Nearby residents may hear some noise while the concrete pour is underway.

We appreciate your patience. If you have any questions about this work, please email [info@fcgp.ca](mailto:info@fcgp.ca) or call the 24/7 construction information phone line: 1-844-815-6149.
