PATTULLO BRIDGE  
REPLACEMENT

# Overnight closure of Columbia Street between McBride Boulevard and Elliot Street for bridge deck concrete pour

September 16, 2025

On Wednesday, September 17, Fraser Crossing Partners will be conducting a bridge deck concrete pour across Columbia Street. To complete this work, an overnight local closure of Columbia Street between McBride Boulevard and Elliot Street will be required between 9 p.m. and 5 a.m. A single lane closure will be in effect on Columbia Street from 7 p.m. until 9 p.m. and from 5 a.m. to 1 p.m.; however, traffic will be maintained in both directions. A single lane closure will also be required on McBride Boulevard from 9 p.m. until 5 a.m. for the staging of equipment and concrete trucks.

Drivers will be detoured to Royal Avenue or Front Street. The Columbia Street loop-ramp will be closed, and access to the Pattullo Bridge will be maintained via McBride Boulevard (Bridge Connector) and the Royal Avenue on-ramp. Access will be maintained for pedestrians and cyclists; however, short stoppages of up to 10 minutes may be required.

Columbia Street between 6th Street and Elliot Street will remain open for local traffic and **access to and from all businesses on Columbia Street and Front Street Mews will be maintained at all times**. All traffic pattern changes and detours will be well signed.

**PATTULLO BRIDGE  
REPLACEMENT**

Additional overnight closures of Front Street and lane closures on Columbia Street will be required to complete the remaining bridge deck concrete pours and follow-up notifications will be provided. Front Street and Columbia Street will not be fully closed at the same time.

## What to Expect

### Timing

Wednesday, September 17.

This work is weather dependent. If this work needs to be rescheduled, an updated notification will be provided.

### Hours of Work

An overnight local closure of Columbia Street will be in effect from 9 p.m. to 5 a.m. (a single lane closure will be in effect from 7 p.m. to 9 p.m. and from 5 a.m. to 1 p.m.)

A single lane closure on McBride Boulevard will be in effect from 9 p.m. to 5 a.m.

### Traffic

Drivers will be detoured to Royal Avenue or Front Street. Columbia Street between 6th Street and Elliot Street will remain open for local traffic only. Access to the Pattullo Bridge will be maintained via the Bridge Connector and Royal Avenue on-ramp. Drivers travelling westbound on E. Columbia Street will be detoured at Braid Street to access the Pattullo Bridge. Commercial vehicles will be detoured to designated truck routes at all times. All traffic pattern changes, and detour routes will be well signed.

### Impacts/Interruptions

Drivers, pedestrians and cyclists may experience longer than normal travel times due to detours and stoppages.

Nearby residents may hear some noise while the concrete pour is underway.

We appreciate your patience while we complete this work. If you have any questions about this work, please email [info@fcgp.ca](mailto:info@fcgp.ca) or call the 24/7 construction information phone line: 1-844-815-6149. For more information about the Project, visit [pattullobridgereplacement.ca](http://pattullobridgereplacement.ca).
