PATTULLO BRIDGE
REPLACEMENT

Overnight closures of Front Street

September 17, 2025

On Thursday, September 18 and Friday, September 19, Front Street will be closed overnight for Fraser Crossing Partners to conduct concrete pours. Several overnight closures of Front Street will also be required during the week of September 22 for additional concrete pours.

Front Street Mews will remain open and access to businesses in downtown New Westminster will be maintained at all times. While Front Street is closed, trucks will be required to use official truck routes (which exclude Columbia Street at all hours, and Royal Avenue after 9 p.m.) and regular traffic will be detoured to Columbia Street. All traffic pattern changes and detours will be well signed, and traffic control personnel will be on site to assist when necessary.

What to Expect

Timing

Overnight closures on Thursday, September 18, Friday, September 19, and during the week of September 22.

This work is weather dependent.

Hours of Work

9 p.m. to 5 a.m.

Traffic

While Front Street is closed, regular traffic will be detoured to Columbia Street. Trucks will be detoured to designated truck routes at all times. All traffic pattern changes and detours will be well signed, and traffic control personnel will be on site to assist when necessary.

Impacts/Interruptions

Drivers may experience longer than normal travel times due to detours. This work is not anticipated to be noisy.

We appreciate your patience. If you have any questions about this work, please email info@fcgp.ca or call the 24/7 construction information phone line: 1-844-815-6149. For more information about the Project, visit pattullobridgereplacement.ca.
