# Roadworks and utility work on King George Boulevard between 124 Avenue and Bridgeview Drive

September 26, 2025

Starting Monday, September 29, Fraser Crossing Partners will begin curb installation and underground utility work along the east side of King George Boulevard between 124 Street and Bridgeview Drive. This work will take approximately two months to complete.

King George Boulevard will also be shifted to the final alignment between Bridgeview Drive and 125a Street. The eastbound left lane will serve as both a thru-lane and the exit-lane to Scott Road, and two traffic lanes will be maintained at all times.

While this work is underway, the sidewalk will be closed in sections and detours will be in place for pedestrians and cyclists.

Access to local businesses will be maintained.
