PATTULLO BRIDGE
REPLACEMENT

Overnight directional closures of Highway 17 to pour concrete for new multi-use path on the bridge deck

October 21, 2025

Starting Thursday, October 23, Fraser Crossing Partners will be conducting concrete pours for the multi-use path on the west side of the new bridge deck which spans across Highway 17. To complete this work, overnight (9 p.m. to 5 a.m.) directional closures of Highway 17 will be required on Thursday, October 23, Friday, October 24, and Saturday, October 25. An additional overnight directional closure will be required for one to two nights during the week of October 27.

Confirmation of the Highway 17 westbound and eastbound closures will be communicated in advance via traffic media and posted on drivebc.ca. Please also watch for signage indicating when closures and detours will be in place.

Access for emergency responders and cyclists will not be maintained while closures are in place. Detour routes will be clearly marked and are as follows (shown below):

- **Highway 17 westbound** – drivers will be detoured at Bridgeview Drive to King George Boulevard, 120 Street, and Tannery Road to continue westbound travel.
- **Highway 17 eastbound** – drivers will be detoured at Tannery Road to 120 Street, King George Boulevard, and will access Highway 17 eastbound via Bridgeview Drive.

REPLACEMENT**

For more information about the ongoing bridge deck construction activities to take place over Highway 17, please visit the Current Works page at pattullobridgereplacement.ca or [click here](#).

What to Expect

Timing

Thursday, October 23, Friday, October 24, Saturday, October 25, and one to two nights during the week of October 27.

Hours of Work

Directional closures of Highway 17 will be implemented between 9 p.m. and 5 a.m.

Timing and durations of closures will be indicated on road signage and communicated in advance.

Traffic

Overnight directional closures of Highway 17 will be required. Drivers will be detoured at Tannery Road and Bridgeview Drive while closures of Highway 17 are in effect. All traffic pattern changes, and detour routes will be well signed, and traffic control personnel will be on site to assist when required.

Impacts/Interruptions

Drivers may experience longer than normal travel times due to the detours.

We appreciate your patience while we complete this work. If you have any questions about this work, please email info@fcgp.ca or call the 24/7 construction information phone line: 1-844-815-6149. For more information about the Project, visit pattullobridgereplacement.ca.
