PATTULLO BRIDGE  
REPLACEMENT

# Temporary restrictions of Bushby Street and closures of the sidewalk on the south side of Royal Avenue

October 30, 2025

On Monday, November 3, Fraser Crossing Partners will begin building a new retaining wall alongside Bridge Connector and Bushby Street south of Royal Avenue. This work will take approximately one week to complete.

While this work is underway, a single lane closure will be required on Royal Avenue; however, traffic in both directions will be maintained. Access in and out of Bushby Street will also be temporarily restricted 24 hours a day. Local residents will be directed to Leopold Place where access in and out will be maintained. Temporary no parking will also be in effect on the west side of Bushby Street.

The sidewalk on the south side of Royal Avenue will also be temporarily closed. Pedestrians and cyclists will be detoured to the sidewalk on the north side of Royal Avenue.

## What to Expect

### Timing

Starting Monday, November 3 for approximately one week

### Hours of Work

Monday to Friday from 7 a.m. to 5 p.m.

The access restrictions to and from Bushby Street, sidewalk closure, and temporary no parking will be in place 24 hours a day.

### Traffic

Local traffic will be directed to Leopold Place during the restriction in and out of Bushby Street. A single lane closure will also be in effect on Royal Avenue; however, traffic in both directions will be maintained. When required, traffic control personnel will be on site to direct traffic, pedestrians, and cyclists. All traffic pattern changes will be well-signed.

### Impacts/Interruptions

Nearby residents can expect to hear noise from construction activities. The sidewalk closure will be in place on the south side of Royal Avenue between McBride Boulevard and Bushby Street. Temporary no parking will be in effect on the west side of Bushby Street.

We appreciate your patience while we complete this work. If you have any questions about this work, please email [info@fcgp.ca](mailto:info@fcgp.ca) or call the 24/7 construction information phone line: 1-844-815-6149.
