PATTULLO BRIDGE
REPLACEMENT

Nighttime milling and paving on Bridge Connector and the southbound off-ramp to Royal Avenue

October 31, 2025

On Wednesday, October 29, Fraser Crossing Partners started conducting milling and paving activities on the bridge approach in New Westminster (Bridge Connector) and the northbound loop-ramp to Royal Avenue and McBride Boulevard.

Additional milling and paving work was originally scheduled to take place on Bridge Connector and the southbound off-ramp to Royal Avenue on the nights of Friday, October 31 and Saturday, November 1; however, due to weather, this work has been rescheduled for the night of Sunday, November 2. This work will also take place on the night of Monday, November 3, if needed.

What to Expect

Timing

Sunday, November 2 and Monday, November 3 (if needed). This work is weather dependent.

Hours of Work

9 p.m. – 5 a.m.

Traffic

A single lane closure on Bridge Connector and an overnight closure of the southbound off-ramp to Royal Avenue will be required. Detours will be required, and all traffic pattern changes will be well signed.

Impacts/Interruptions

Nearby residents may hear noise associated with the overnight milling and paving activities.

We appreciate your patience while we complete this work. If you have any questions about this work, please email info@fcgp.ca or call the 24/7 construction information phone line: 1-844-815-6149. For more information about the Project, visit pattullobridgereplacement.ca.
