Roadwork, utility installation, and paving in Surrey

November 10, 2025

Roadwork and the installation of utilities are ongoing in Surrey throughout November. In addition, Fraser Crossing Partners will begin paving activities, starting Monday, November 10.

To complete this work, the following traffic pattern changes will be required:

- Daytime and nighttime lane closures on King George Boulevard and Bridgeview Drive/128 Street
- Overnight closures of the westbound exit-ramp from King George Boulevard to 120 Street/Scott Road
- Overnight closures of the eastbound on-ramp from 120 Street/Scott Road to King George Boulevard

Access for residents and local businesses will be maintained. Please watch for signage detours and specific dates as timing is confirmed. Additional work will be required on Old Yale Road and advance notification will be provided.

What to Expect

Timing

Ongoing throughout November. Paving activities are weather dependent.

Hours of Work

Work will take place 24 hours a day.

Traffic

Single lane closures are ongoing. Overnight closures of the exit and on-ramps to and from King George Boulevard and 120 Street/Scott Road will be required. All traffic pattern changes and detours will be well signed. Traffic control personnel will be on-site to direct traffic and cyclists as required.

Impacts/Interruptions

Nearby residents and businesses may hear intermittent noise from construction activities.

We appreciate your patience while we complete this work. If you have any questions about this work, please email info@fcgp.ca or call the 24/7 construction information phone line: 1-844-815-6149. For more information about the Project, visit pattullobridgereplacement.ca.
