PATTULLO BRIDGE  
REPLACEMENT

# Overnight directional closures of Highway 17 for foundation work and installation of formwork

December 9, 2025

Starting the night of Wednesday, December 10, Fraser Crossing Partners will be installing formwork on the underside of the new bridge deck which spans across Highway 17. Crews will also be conducting foundation work for new overhead guide signs alongside Highway 17. Building the foundations for each sign will take two to three days to complete. To carry out this work, overnight (9 p.m. to 5 a.m.) directional closures of Highway 17 will be required for approximately two weeks. Only one direction will be closed at a time. Single lane closures will also be required during daytime hours.

Confirmation of the Highway 17 westbound and eastbound closures will be communicated in advance via traffic media and posted on [drivebc.ca](https://drivebc.ca). Please watch for signage indicating when closures and detours will be in place.

Access for emergency responders and cyclists will not be maintained while closures are in place. Detour routes will be clearly marked and are as follows (shown below):

- **Highway 17 westbound** – drivers will be detoured at Bridgeview Drive to King George Boulevard, 120 Street, and Tannery Road to continue westbound travel.
- **Highway 17 eastbound** – drivers will be detoured at Tannery Road to 120 Street, King George Boulevard, and will access Highway 17 eastbound via Bridgeview Drive.

REPLACEMENT**

For more information about the ongoing bridge deck construction activities to take place over Highway 17, please visit the Current Works page at [pattullobridgereplacement.ca](http://pattullobridgereplacement.ca) or [click here](#).

## What to Expect

### Timing

Starting Wednesday, December 10 and continuing overnight for approximately two weeks.

### Hours of Work

Directional closures of Highway 17 will be implemented between 9 p.m. and 5 a.m.

Timing and durations of closures will be indicated on road signage and communicated in advance.

### Traffic

Overnight directional closures of Highway 17 will be required. Drivers will be detoured at Tannery Road and Bridgeview Drive while directional closures of Highway 17 are in effect. Single lane closures will also be required during daytime hours. All traffic pattern changes, and detour routes will be well signed, and traffic control personnel will be on site to assist when required.

### Impacts/Interruptions

Nearby residents and businesses may hear noise from the guide sign foundation work. Drivers may experience longer than normal travel times due to the detours.

We appreciate your patience while we complete this work. If you have any questions about this work, please email [info@fcgp.ca](mailto:info@fcgp.ca) or call the 24/7 construction information phone line: 1-844-815-6149. For more information about the Project, visit [pattullobridgereplacement.ca](http://pattullobridgereplacement.ca).
