

Nighttime closure of the Highway 17 westbound off-ramp to Tannery Road

December 19, 2025

Starting the night of Monday, December 22, Fraser Crossing Partners will be installing an overhead guide sign alongside the Highway 17 westbound off-ramp to Tannery Road.

While this work is underway, an overnight closure of the off-ramp will be required, from 9 p.m. to 5 a.m. Drivers heading westbound on Highway 17 who want to access Tannery Road will be detoured at Bridgeview Drive to King George Boulevard and 120 Street (as shown in the graphic below).

Signage will be in place and detour routes will be clearly marked. Access for emergency responders and cyclists will not be maintained while this overnight closure is in place.
