PATTULLO BRIDGE  
REPLACEMENT

# Pattullo Bridge: Overnight southbound closure

January 6, 2026

On the night of Thursday, January 8, Fraser Crossing Partners will be installing a new overhead sign along King George Boulevard where the bridge connects in Surrey. To complete this work, an overnight closure of both southbound lanes on the Pattullo Bridge will be required from 9 p.m. to 5 a.m.

Pattullo Bridge users going to Surrey during this overnight closure are encouraged to take the Port Mann or Alex Fraser bridges. Northbound travel will remain open but will be reduced to one lane, per TransLink's recurring overnight lane closure for drivers travelling from Surrey to New Westminster. Southbound N19 NightBus trips will be rerouted over the Queensborough and Alex Fraser bridges, and affected users should plan for an additional 30 minutes of travel time.

Confirmation of the closure will be communicated in advance via traffic media and posted on [drivebc.ca](https://drivebc.ca). Please watch for signage indicating when the closure and detour will be in place. Access for pedestrians and cyclists will not be maintained.

## What to Expect

### Timing

The night of Thursday, January 8.

### Hours of Work

9 p.m. – 5 a.m.

### Traffic

An overnight closure of the southbound lanes on the Pattullo Bridge. Detours will be required; southbound drivers are encouraged to take the Port Mann or Alex Fraser Bridges.

### Impacts/Interruptions

Access for pedestrians and cyclists will not be maintained. Drivers and transit users may experience longer than normal travel times. Nearby residents may hear noise associated with the overnight activities.

We appreciate your patience while we complete this work. If you have any questions about this work, please email [info@fcgp.ca](mailto:info@fcgp.ca) or call the 24/7 construction information phone line: 1-844-815-6149.
