PATTULLO BRIDGE  
REPLACEMENT

# Active transportation access during stal'əwasəm (Riverview) Bridge multi-use path construction

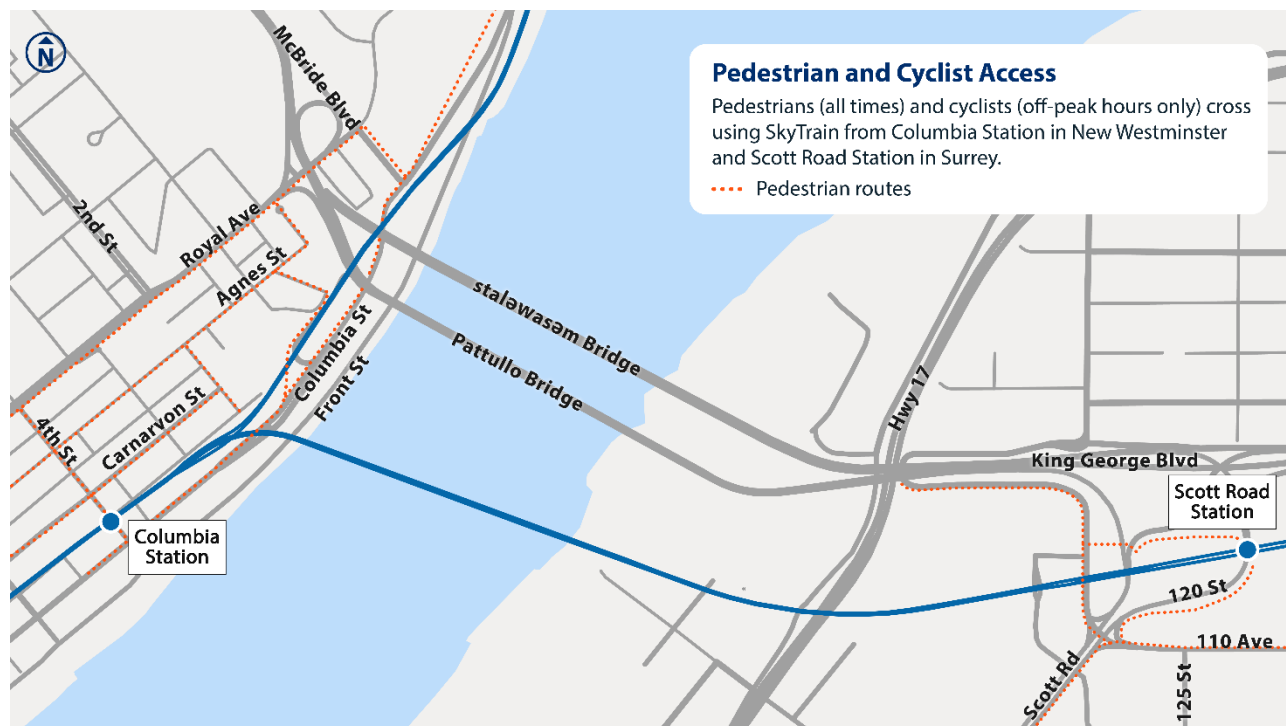

February 17, 2026

Access for pedestrians and cyclists will not be available on the stal'əwasəm Bridge until the multi-use path on the east side of the bridge opens this spring. The multi-use path on the west side of the stal'əwasəm Bridge will open by mid-2026.

Two options are available for pedestrians and cyclists who want to cross this section of the Fraser River before the multi-use path on the east side of the stal'əwasəm Bridge opens this spring.

## *SkyTrain*

SkyTrain continues to be available for pedestrians during standard operating hours, and for cyclists except westbound trains during weekday rush hours of 7 a.m. to 9 a.m. and eastbound trains from 4 p.m. to 6 p.m. Signage is posted in the bridge head area with information on how to navigate to the closest SkyTrain stations.

### Temporary Shuttle for Cyclists

A free shuttle will be available to transport cyclists across the stal'əwasəm Bridge during weekday morning and evening peak periods (6:30-9:30 a.m. and 3:30-6:30 p.m.) when bikes are not allowed on SkyTrain.

The shuttle will operate for approximately three months, until the east side multi-use path on the stal'əwasəm Bridge is open.

### Shuttle schedule

*Northbound — Leaves Surrey towards New Westminster*

6:30 am

7:30 am

8:30 am

—

4:00 pm

5:00 pm

6:00 pm

*Southbound — Leaves New Westminster towards Surrey*

7:00 am

8:00 am

9:00 am

—

3:30 pm

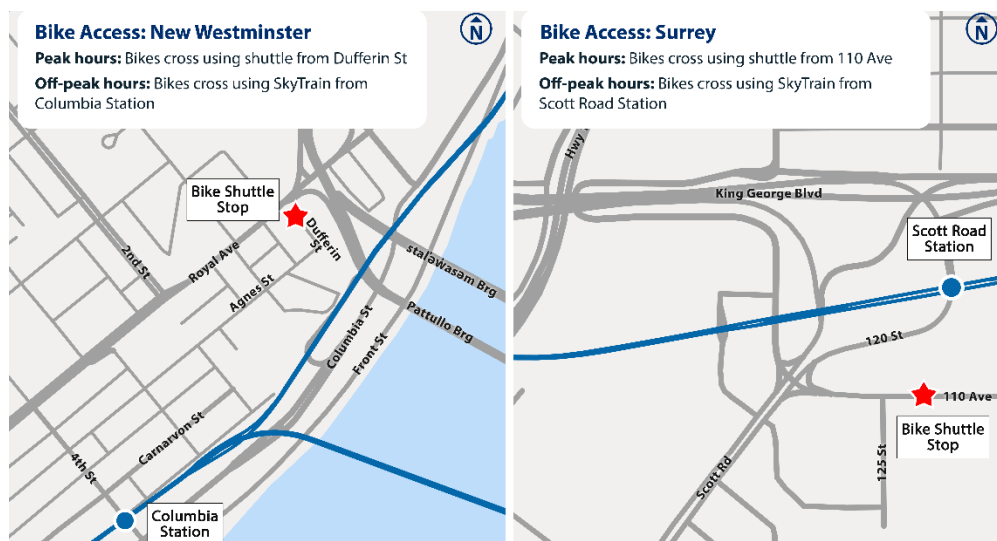

4:30 pm

5:30 pm

### Shuttle pick-up and drop-off

**Surrey:** Pick-up and drop-off is located on the north side of 110 Avenue near 125 Street.

**New Westminster:** Pick-up and drop-off is in the cul-de-sac on Dufferin Street, south of Royal Avenue.

REPLACEMENT**

## Shuttle capacity

The shuttle carries up to five standard, unloaded bikes. If there are more than five passengers, the driver will return to pick up the overflow.

## Electric Bikes

The shuttle can carry e-bikes if:

- The bike weighs less than 25 kg (55 lbs)
- Wheels fit properly in the bike rack
- The bike includes a removable lithium battery

Cyclists must remove the battery and bring it onboard the shuttle.

Tandem bikes and scooter-style electric bikes are not permitted because of weight and space limitations.

If you have any questions, please email [info@fcgp.ca](mailto:info@fcgp.ca) or call the 24/7 construction information phone line: 1-844-815-6149. For more information about the Project, visit [pattullobridgereplacement.ca](http://pattullobridgereplacement.ca).
