

Overnight closures of Front Street

February 23, 2025

Overnight closures of Front Street will be required on Tuesday, February 24 and Wednesday, February 25 for Fraser Crossing Partners to complete electrical duct work across Front Street. These activities must be completed while there is no traffic underneath to ensure public safety.

Front Street Mews will remain open and access to businesses in downtown New Westminster will be maintained at all times. While Front Street is closed, trucks will be required to use official truck routes (which exclude Columbia Street at all hours, and Royal Avenue after 9 p.m.) and regular traffic will be detoured to Columbia Street. All traffic pattern changes and detours will be well signed, and traffic control personnel will be on site to assist when necessary.

What to Expect

Timing

Overnight Tuesday, February 24 and Wednesday, February 25.

Hours of Work

9 p.m. to 5 a.m.

Traffic

While Front Street is closed, regular traffic will be detoured to Columbia Street. Trucks will be detoured to designated truck routes at all times. All traffic pattern changes and detours will be well signed, and traffic control personnel will be on site to assist when necessary.

Impacts/Interruptions

Drivers may experience longer than normal travel times due to detours. Nearby residents may hear noise associated with the installation activities.

We appreciate your patience. If you have any questions about this work, please email info@fcgp.ca or call the 24/7 construction information phone line: 1-844-815-6149. For more information about the Project, visit pattullobridgereplacement.ca.
