

Overnight closures of Bridge Road

March 5, 2026

Starting Friday, March 6, overnight closures of Bridge Road will be implemented from 7 p.m. to 5 a.m. for approximately one week. This closure is required for crews to install electrical duct bank and work on the formwork for the superstructure on the new Highway 17 off-ramp.

While this closure is in effect, traffic will be detoured via 120 Street and Bridgeview Drive to access 116 Avenue, Industrial Road, and Musqueam Drive (see graphic on the right). All traffic pattern changes will be well-signed, and traffic control personnel will be on site to assist drivers when required.
