

# Surrey deconstruction and construction activities spring – summer 2026

March 12, 2026

In late February, Fraser Crossing Partners began deconstructing the Pattullo Bridge. This work will be completed in three phases: on-land, above-water, and below-water. Removal of the on-land structures is underway in Surrey.

Demolition of the south bridge approach has started at the bridge deck and will progress down to the foundations. Concrete components, including the bridge deck, girders and columns, will be deconstructed using conventional demolition methods involving heavy equipment. Steel trusses will be removed in sections, and lowered to the ground for removal. Once removed, bridge components will be transported offsite to be recycled, re-used and/or disposed.

Construction activities involve building the new Highway 17 off-ramp and multi-use paths and sidewalks.

## Nearby residents will hear noise associated with deconstruction and construction activities.

Activities such as hammering, breaking, cutting, equipment movement, and hauling bridge components will generate noise while this work is underway.

Work activities will take place 24 hours a day and over the weekend at times. While crews will try to complete noisy activities during the day, some of these activities will be completed at night.

## What to Expect

### Timing

Ongoing through to summer 2026.

### Hours of Work

Work activities will take place 24 hours a day and over the weekend at times. Follow up notification will be provided in advance for noisy work outside of the following hours:

- On-land, Monday to Saturday from 7 a.m. – 10 p.m.
- In-river, Monday to Saturday from 7 a.m. – 8 p.m.

**PATTULLO BRIDGE  
REPLACEMENT**

### **Traffic**

Some road closures in Surrey will be required. All closures will be communicated in advance.

### **Impacts/Interruptions**

Noise associated with deconstruction and construction activities.

## Thank you for your patience

We know that construction can be disruptive, and we appreciate your patience while we complete this work. If you have any questions, please email [info@fcgp.ca](mailto:info@fcgp.ca) or call the 24/7 construction information phone line: 1-844-815-6149. For more information about the Project, visit [pattullobridgereplacement.ca](http://pattullobridgereplacement.ca).
